What will happen next?

- This referral form will be checked by a physiotherapist.
- If we think that we can help your condition we will place you on a waiting list.
- Once you reach the top of the waiting list, you will be contacted by a letter or telephone to arrange an appointment.

If we believe your needs would be better met by a different service we will contact you to let you know.

How long will I have to wait?

- This depends on our current physiotherapy waiting list.
- Please be aware that at times of high demand you may have to wait longer.

Physiotherapy Self-Referral

Muscle injuries, joint or back problems?

This form allows you to refer **yourself** directly for physiotherapy without seeing your GP. Please fill out this form in full as it allows us to allocate you an appropriate appointment. This form is not to be completed on someone else's behalf and health professionals are asked to use the appropriate referral pathways.

Self Referral is not appropriate for people under the age of 16 or for addressing Respiratory, Gynaecological or Neurological conditions. Please see your GP in these instances.

Please inform your GP of this referral if you:

- have recently become unsteady on your feet
- are feeling generally unwell/fever
- have a history of cancer
- have any unexplained weight loss.

If you have recently or suddenly developed any of the following symptoms please seek help immediately from either your GP (emergency appointment), NHS24 (tel. 111) or at your local Emergency Department:

- difficulty passing urine or controlling bladder/bowels
- numbness or tingling around your back passage or genitals
- numbness, pins and needles or weakness in **both** legs.
