Patient and family/carers feedback form

Your feedback is important

Hearing from the perspective of patients and their family/carers is important to us. It helps us learn and understand about your care experiences - and helps us to evaluate and improve on the services we provide.

We want to hear from you about:

- whether you experienced excellent care and how you found our services
- whether you had an unsatisfactory experience and if so, why?
- if you have any suggestions which you feel would improve our services.

Please be assured that the feedback you give will not affect the current or future care/treatment you or your family receives in any way.

Giving your feedback

The feedback you give can be anonymous. We will not ask for any personal information unless you choose to give it to us and any feedback you provide will be kept confidential.

Please be assured that the information you provide will have any personal details removed. Your name will also not be recorded and all information will be handled and stored in accordance with the General Data Protection Regulation.

Your feedback will then be shared with senior managers who will review what we are doing well and how this can be replicated across NHS Western Isles, whilst taking action to address any issues raised.

If you choose to provide us with your contact details and indicate you would like us to contact you, we will do so by your preferred contact method.

Will my personal details be used?

Once you have completed this form, simply put it into a Comments Box or hand it to your nearest hospital reception, GP practice or dental practice and ask for it to be sent by internal mail to the Clinical Governance Team, based at the Health Board Office at NHS Western Isles.

Alternatively, you can hand it to a member of nursing staff before you leave one of our NHS Western Isles sites.

You can also provide your feedback by:

- speaking to a member of staff
- visiting www.wihb.scot.nhs.uk/get-involved (feedback section) or share your story at: www.careopinion.org.uk or tel. 0800 122 31 35
- tel. 01851 708069 Monday-Friday between 9am-5.30pm.

You may also be asked to complete a patient satisfaction survey.

We would like to thank you for taking the time to complete this form.

If you feel you are unable to complete this form yourself, then a relative or carer may do so on your behalf.
