2 Report summary

2.1 Situation

The Integrated Joint Board is required to undertake an annual internal audit programme in order to provide the Audit Committee with assurance that management actions agreed in previous internal audit reports have been implemented appropriately. Western Isles Integration Joint Board has commissioned Azets to undertake the role of Internal Auditors for the financial year 2024-25.

2.2 Background

In May 2024 Azets reviewed all open management actions and liaised with Western Isles Integration Joint Board staff to obtain an update on their implementation progress. Azets reassessed the actions raised by the previous internal auditors using the Azets risk gradings.

There are 20 actions carried forward from earlier audits some of which predate the pandemic. There is a degree of duplicity within the actions which stems from the timing of

earlier audits and the impact of the pandemic on the system. No additional actions have been added to the tracker.

2.3 Assessment

Azets have confirmed three (15%) actions are complete, two (10%) actions are complete pending the provision of evidence and 15 (75%) are partially complete. An overview of the actions is given below:
