## RECENT PATIENT FEEDBACK...

“I just cannot give more praise to every aspect of my painful journey.. from paramedics, coast guard, surgeons, doctor, nursing staff , physio and orderlies on the ward. Everyone was absolutely amazing, professional, caring and compassionate. Nothing was a problem at all despite them being very busy.

“I want to thank the amazing staff for the incredible care I received in Stornoway hospital. They should be highly commended. I am so grateful. All of the nurses, junior doctors and support staff were fantastic. The care was exemplary. The ward was clean, the food was great and the support fantastic. The care, expertise and professionalism was second to none.
