RECENT PATIENT FEEDBACK...

- “Great professional medical and personal care from Gary and Dr Mandy...all at short notice on my visit to Barra. Thank you”
- “I have been blessed to have been under the care of NHS Western Isles Nutrition & Dietetics Department for over a year now. The level of care and support I have received has been outstanding. I want to make special mention of dietician, Jane. Jane is a highly skilled and knowledgeable practitioner and I have so appreciated her holistic approach, intuitive insights and motivational coaching style.”
- “Hospital at Home is an excellent service as the patient is in their own environment which makes them more relaxed and not taking up a bed in hospital.”
