## **WESTERN ISLES HEALTH BOARD ENDOWMENT FUNDS**

### **Report of the Trustees for the Year Ended 31 March 2020**

The trustees present their report with the financial statements of the charity for the year ended 31 March 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

The Western Isles Health Board Endowment Funds hold endowment property and funds for purposes relating to health services or research. The Endowment Funds are funded by donations and legacies received from patients, their relatives, the general public and other organisations. The overall strategy of the Endowment Fund is to provide support to the Board in whatever way the Trustees consider appropriate, subject to any specified directions prohibiting such expenditure which may have been issued by Scottish Ministers, and subject to fulfilling the charitable objectives and public benefit as defined by the charity and the Trustee Investment Act 2005 and subsequent legislation.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

During 2019/20 the Endowment Funds supported a number of initiatives, as detailed elsewhere in these accounts.

#### **FINANCIAL REVIEW**

##### **Financial position**

##### **Income**

The income received by the endowment accounts derives from investments, rent income, bank interest, legacies and donations received from members of the public. The investment income is received monthly and is allocated to the appropriate endowment fund. Bank interest is credited to the Board's account monthly and is allocated to the appropriate fund.

The Board receives very few legacies from the public, although it does receive a considerable number of small donations. During the year total income of £27,605 (2018/19: £27,066) was received of which £15,010 (2018/19: £10,641) was donation income. Most donation income is given for specific purposes.

##### **Expenditure**

Expenditure on patients and staff during the year totalled £2,197 (2018/19: £13,474) and £2,240 (2018/19: £3,329) respectively. During the year expenditure exceeded income by £17,377 (2018/19 income exceeded expenditure by £94).

##### **Conclusion**

This report sets out the position with regard to the Board's endowment income. The annual income from endowments is not significant in relation to the Board's overall expenditure and is intended by the Trustees to only be used for items which cannot be normally funded from the exchequer.

##### **Reserves policy**

The policy of the Trustees is to maintain adequate reserves to meet anticipated requests for grants.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

**Report of the Trustees  
for the Year Ended 31 March 2020**

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Charity constitution**

The National Health Service (Scotland) Act 1972 transferred all property held on trust by existing Boards to the new Health Boards, and in addition transferred all property held on trust by Local Authorities for the purposes of their health function to Health Boards. The Act also gave powers to Health Boards to accept, hold and administer any property upon trust for purposes relating to the Health Service. Although the power of administering all trust funds was transferred to Boards, the conditions imposed by the original donors were preserved.

**Uses to which endowment funds may be applied**

The National Health Service (Scotland) Act 1978 states that all endowments vested in a Health Board shall be held for such purposes relating to services provided by the Board under the 1978 Act, or to the functions of the Board with respect to research, as the Board may think fit. In exercising the powers conferred on them a Health Board shall secure, so far as is reasonably practicable, that the objects of the original trust including, in particular, conditions intended to preserve the memory of any person, are not prejudiced by the exercise of the powers.

The question of what is legitimate expenditure from endowment funds is dependent on the meaning of the expression "purposes relating to services provided by the Board". It is clear that this term embraces the narrower purposes for which exchequer funds may be used. However, the expression also has a wider application, and furthermore the expenditure does not need to be approved by the Health Minister. However, it should not be presumed that the Board has complete discretion in the use of endowment funds. Health Boards control endowment funds as Trustees, but the administration of health services must essentially have regard to any specific instructions given by the Health Minister. An example of a limiting instruction issued by the Health Minister is that forbidding the use of non-exchequer funds to enhance the remuneration of officers. The most common use of endowment funds for purposes, which would not necessarily be appropriately funded from exchequer funds, are additional amenities for both patients and staff, and research, including non-medical research.

**Powers and duties of trustees**

Endowment funds are held on trust by Boards and are registered as Scottish Charities. As such, the Board Members as Trustees are governed by the general law applicable to Trusts and charities including the Charities and Trustee Investment (Scotland) Act 2005. The Board as Trustees are therefore subject to the normal rules affecting the rights and duties of trustees and of charitable trustees. Health Boards are solely responsible for the administration of funds for which they are trustees and although the Health Minister may offer advice on the use of non-exchequer funds, the responsibility remains with the Board. The Health Minister may by order or other instrument limit the extent to which non-exchequer funds may be used, but this power is negative rather than positive.

**Risk management**

The Trustees have assessed the major risks to which the charity is exposed, in particular, those related to the operations and finances of the Board, and are satisfied that systems are in place to mitigate our exposure to the major risks.

#### REFERENCE AND ADMINISTRATIVE DETAILS

##### Investment advisers

Adam & Company  
Investment Management Limited  
25 St Andrew Square  
Edinburgh  
EH2 1AF

##### Standing financial instructions

Transactions on endowment funds are governed by Standing Financial Instructions agreed by the Trustees.

Expenditure of any endowment funds is conditional upon:

- a) the item being within the terms of the appropriate trust; and
- b) (i) the approval of the Endowments Committee; or  
(ii) the approval of the designated officers using delegated powers as agreed by the Trustees.

##### Details of the Board's endowment funds

The Board's endowment funds are made up of a number of individual funds which operate under differing conditions dependent on the wishes of the original donors.

Approved by order of the board of trustees on 30 September 2020 and signed on its behalf by:

G McCannon – Interim Chair

**Independent Examiner's Report to the Trustees of  
Western Isles Health Board Endowment  
Funds**

I report on the accounts for the year ended 31 March 2020 set out on pages six to seventeen.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

**Basis of the independent examiner's report**

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements  
for the Year Ended 31 March 2020

1. ACCOUNTING POLICIES

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The presentation currency of the accounts is Pound sterling (£).

The accounts are rounded to the nearest £1

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. With respect to the next reporting period, the most significant areas of uncertainty that affect the carrying value of assets held by the Charity are the level of investment return and the performance of investment markets (see note 11).

**Income**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income resources are included in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Investment income is included when receivable.

**Expenditure**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accounts independent examination fees and costs linked to the strategic management of the charity.

**Fixed assets**

Fixed assets are stated at valuation in 1995. Depreciation is not provided as the assets continue to increase in value.

Investments held as fixed assets are revalued at mid-market value at the balance sheet date and the gain or loss taken to the Statement of Financial Activities.

**Taxation**

As a charity the Trust is exempt from tax on income and gains falling within section 505 of the Taxes Act or Section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges have arisen in the charity.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Endowment funds are capital funds where there is no power to convert the capital into income.
