RD05	Cancer Care - Delivering the National Cancer Action Plan (Spring 2023-2026).	
RD06	Health Inequalities and Population Health - Enhance planning and delivery of the approach to tackling health inequalities and improving population health.	
RD07	Women and Children's Health - Take forward the actions in the Women's Health Plan and support good child and maternal health, so that all children in Scotland can have the best possible start in life.	
RD08	Workforce - Implementation of the Workforce Strategy.	
RD09	Digital Services Innovation Adoption - Optimise use of digital & data technologies in the design and delivery of health and care services for improved patient access and fast track the national adoption of proven innovations which could have a transformative impact on efficient and patient outcomes.	
RD10	Climate - Climate Emergency and Environment.	
RD11	Finance & Sustainability – Approach to achieving financial balance and aligning with S&V financial improvement programme of work.	
RD12	Value Based Health & Care – Approach to embracing and adopting Value Based Health and Care.	
RD13	Integration & population Need – Boards are asked to set out the key actions to respond to population needs and how you will work in partnership to address and respond to these needs.	
RD14	Regional & National – Approach to working regionally and nationally across services through collective and collaborative approaches to planning and delivery, where required.	
	None of the above	✓

This aligns to the following NHS Western Isles Corporate Objective(s):

CO1	To provide person-centred care, focusing on the evidence based health needs of our increasingly diverse population, identifying and taking every opportunity to improve our patients' health, experience and outcomes	
CO2	To protect individuals from avoidable harm to continually assessing and managing risk, learning, and improving the reliability and safety in everything we do.	✓
CO3	To champion efficiency and effectiveness in our services that delivers minimum possible waiting times.	
CO4	To pro-actively stimulate and intensify our research and application of effective innovation to improve how we care for patients today and into the future.	
CO5	To promote and support people to live longer healthier lives	
CO6	To specifically target early years, health inequalities, vulnerable and underrepresented and more difficult to engage with groups.	
CO7	To continually improve and modernise our integrated healthcare services and assurance systems.	
CO8	To value, support the wellbeing of, and develop and sustain a compassionate, confident, competent, flexible and responsive workforce.	
CO9	To deliver our commitment to partnership working to deliver national standards, targets and guarantees.	
CO10	To have a sustained focus on prevention, anticipation, support self-management and care at home.	
CO11	To ensure that all resources are deployed to the best effect, achieving desired outcomes, values for money and progressive approach to sustainability.
