2 Report summary

2.1 Situation

The Integration Joint Board membership comprises of voting members (NHS Board and Local Authority), non-voting members and advisors.

The IJB membership should be updated as and when required or within 3 months. Both parent bodies advise the IJB as to their representative members and the list noted below is presented with the membership annually for awareness.

2.2 Background

The Integration Joint Board (IJB) will be informed of any updates to its membership as and when required.

All members, both voting and non-voting, are required to establish and maintain an up-to-date personal declaration of interests in line with the guidance provided by the Standards Commission for Scotland. This declaration must clearly identify any relevant

areas where a conflict of interest could arise and disclose any appropriate connections, affiliations, or relationships that may influence decision-making. Maintaining transparency through accurate declarations is essential to uphold the principles of integrity and accountability within the IJB's governance framework.
